EDGE SMART KEYPAD APP

Our smart keypads and card readers are managed through an incredibly simple and easy-to-use mobile administrator app, available on Apple and Android smartphones.

APP FEATURES

- Full access control management
- Relay control (open, latch/unlatch)
- Limited-use keypad codes with use, 7-day, and 365-day restrictions
- 7-day, 365-day, holiday, and special event timers (separate timers for each relay)
- Random code generator
- Event reports with CSV export
- Event input configuration
- Digital input configuration
- Quick cloning for multiple-unit setups
